The Viper Creed

I am a professional Soldier and proud member of the 519th Military Police Battalion. I serve in the honor and memory of those who have gone before me.

I will always assist, protect, and defend my fellow Vipers, brothers and sisters in arms and my country. As a Viper, I will be a person of strong character and resiliency. I will be a role model for my community and will always conduct myself to bring credit upon my unit and the United States Army.

SERVICE TO THE TROOPS

I will show no fear and lead the way onto the battlefield, closing with and destroying the enemies of freedom. I will treat all with dignity and respect, support the vision of my leadership, and honor Viper traditions and the Army Values with pride.

STRIKE HARD!
