

## **Are You a Military Spouse?**

The Fort Polk Installation Tax Center wants to remind military spouses who are working while here with the Soldier, and that meet the conditions for the Military Spouses Residency Relief Act, that it's time to file your new Louisiana Department of Revenue Form L-4E with your employer. This form is due the first of each year with your employer or immediately upon being hired at a new job with a Louisiana employer.

If you filed one last year and were exempt from withholding from Louisiana, it's time to do it again. This form is available using a search engine, typing Louisiana Department of Revenue. Open the option for Louisiana Tax Forms. In that search block type "Form L-4E". Look to the top left and the document should reflect "R-1307 (1/10) and the document is called "State of Louisiana Exemption from Withholding Louisiana Income Tax".

One completed form has to be provided to your employer and a copy should be maintained in your tax records for the State of Louisiana. The Fort Polk Installation Tax Center will have these forms available. The Tax Center is located at 1881 Alabama Avenue on the corner of 23th Street. The office opens January 24, 2011. The telephone number to make an appointment for FREE tax preparation is 531-1040. The office hours are 9 to 4 daily and Saturdays 9-12.
