

List of participating 501(c)(3) Animal welfare groups wishing to adopt Fort Polk trespass horses

Below is the list of 501C3 organizations (non-profit animal welfare groups) that have indicated they wish to take some of Fort Polk's trespass horses. They are numbered in order by date of application received and credentials verified.

Animal welfare groups and citizens can sign up to be added to one of the two lists Fort Polk is developing by sending an e-mail to usarmy.polk.imcom.mbx.pao-public-response@mail.mil. Animal welfare groups should send appropriate documentation so that Fort Polk officials can verify their status as 501(c)(3) groups. Please include valid contact information and the quantity of horses you are interested in taking.

Citizens interested in adopting a horse are encouraged to work with local animal welfare groups and support their adoption program.

Interested parties can find the full details of the process on page 31 of the environmental assessment at http://www.jrtc-polk.army.mil/trespass_horses.html.
