EXCUSE ABSENCE TO ATTEND THE 2001 ANNUAL WOMEN'S CONFERENCE

1. The Fort Polk Tenth Annual Women's Conference will be held on 13 March 2001, 0800-1530, at the Main Post Chapel Center. Many of the classes to be presented are potentially beneficial to the health and job performance of Federal employees. Although this conference is primarily for women, men are welcome; however, men are discouraged from attending those classes specifically designed for women. This conference is not considered formal training.

2. Employees whose services are not otherwise required to meet mission requirements maybe excused by their supervisor to attend all or portion of the conference.
