Security and Privacy Statement

This site is intended for the use of U.S. Department of Defense personnel. Some links and pages are intended for more restrictive audiences, requiring approved access permissions. Access to restricted areas may not be granted without proper authorization in accordance with current DoD and Army directives. You may not reproduce or distribute the content of this site to a wider audience without coordination with the information owner and the Center for Army Lessons Learned.

This is a Department of Defense computer system. This computer system, including all related equipment, networks, and network devices (specifically including Internet access) are provided only for authorized U.S. Government use. DoD computer systems may be monitored for all lawful purposes, including to ensure that their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability, and operational security. Monitoring includes active attacks by authorized DoD entities to test or verify the security of this system. During monitoring, information may be examined, recorded, copied, and used for authorized purposes. All information, including personal information, placed or sent over this system may be monitored. Use of this DoD computer system, authorized or unauthorized, constitutes consent to monitoring of this system. Unauthorized use may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal, or other adverse action. Use of this system constitutes consent to monitoring for these purposes.
