MEMORANDUM FOR Personnel Concerned

SUBJECT: Government Travelers on Temporary Duty (TDY) with an Authorized Rental Vehicle

1. Defense Travel Management Office (DTMO) implements U.S. Government Rental Agreement Number 4 effective October 15, 2010. Agreement #4 covers passenger cars, sports utility vehicles, station wagons, vans (7 passengers), and small pick-up trucks. Autorent and National agree to cover 7 and 15 passenger vans. For vehicles rented before October 15, 2010, the U.S. Government Rental Car Agreement Number 3 applies. The U. S. Government Truck Rental Agreement covers the rental of pickup, cargo vans, utility and straight trucks.
2. Agreement #4 typically prohibits a rental company from charging you or the United States for rental vehicle damages. If you fail to invoke the agreement, your unit's TDY funds must pay for any rental vehicle damage. If the Army determines the driver was not in the course and scope of employment at the time of the accident, the driver may be personally liable for rental vehicle damages. Agreement #4 excludes damage caused by improper use of the rental vehicle or loss of the rental vehicle's keys. As a contract claim, damage to a rental vehicle cannot be paid through the Federal Tort Claims Act or Military Claims Act. Typically, the rental company's insurance policy or the United States covers any 3rd party property damage or personal injury. Further details are available at the DTMO website at <http://www.defensetravel.dod.mil>.
3. Choose a rental company listed on the U.S. Government Car Rental Agreement #4. See <http://www.defensetravel.dod.mil/Docs/CRAgreementPOCs.pdf>.
4. **You must book the "government rate" or charge the Government Administrative Rate Supplement (GARS)** to invoke Agreement #4. This is a major change from Agreement #3!
5. Use Defense Travel System (DTS) to book your rental vehicle. Also, pay for the rental vehicle with the government VISA credit card as the VISA credit card may cover rental vehicle damages.
6. Decline any additional insurance or collision damage waiver offered by the rental company.
7. If your rental car sustains damage you should:
 - a. Immediately notify the rental company and local law enforcement. In Louisiana and other states, the failure to report an accident may result in you paying the repair cost. Report this

incident to your supervisor and request a determination as to whether or not the incident occurred in the course and scope of your employment.

b. If you paid with the government credit card, report the incident to VISA at 1-800-VISA-911 within 45 days. VISA may cover the damages, however, you must timely report the incident to VISA and submit the accident report, rental agreement, repair estimate, photos, police report, and scope of employment statement.

c. Notify the Fort Polk Claims Office (FPCO) of the incident and indicate whether or not the incident involved 3rd party property damage or personal injury. Direct any 3rd party questions regarding the accident to the FPCO. If the rental company attempts to charge you or the government credit card for the rental vehicle's damage, contact the FPCO to assist you in resolving the dispute. The FPCO will need you to provide all paperwork related to the incident such as the accident report, rental agreement, repair estimate, photos, police report, and scope of employment statement. Do not delay - the rental company may report your failure to pay to a debt collection agency or prohibit you from renting vehicles.
